WELCOME TO THE OLD VICARAGE

Located in Clay Cross Chesterfield, The Old Vicarage offers residential, dementia, respite and day care. Our welcoming and compassionate team provide person-centred care, tailored around each individual and their own unique needs and preferences. Our staff are always on hand to ensure all residents see The Old Vicarage as a home from home.

With our range of lounges and relaxation areas, residents can find the perfect mix of social interaction in our homely communal areas or privacy in our well-equipped bedrooms. For a spot of fresh air, our garden and aviary, shaded with mature trees, is complete with raised planters designed for any green-fingered gardener, regardless of their mobility.

LIFE AT THE OLD VICARAGE

We host a varied and engaging programme of activities and events, designed to enhance residents' physical, mental, and spiritual well-being. From creative pursuits such as painting, baking, and gardening, to regular visits from local performers and entertainers, religious services, and local outings, our activities are curated to inspire and engage. Residents living with dementia are supported with sensory areas, reminiscence activities, and memory boxes to encourage a sense of peace and belonging.

For day-to-day enjoyment, we have a choice of lifestyle facilities throughout the home, including a café and hair salon. Our catering team take great pride in preparing a great choice of high-quality fresh food for residents to nourish and enjoy.

Our friendly team are always on hand to ensure The Old Vicarage is a true home from home.
